NOTES

If a player is not carded under US Club Soccer they cannot participate in any NPL match until you have the card digitally or in hand.

A guest player may play as long as they have the US Club Soccer Card and you have that in your possession (Electronic copies are OK.). All guest players must be approved by your Age Group Director. A guest player CAN NOT use the USYSA pass to play in the VNPL.

If a player is being added to your team it may take up to 10 days for Kathy to get the US Club Soccer Card approved ONCE she has received the Birth Certificate Copy, Digital Photo, and US Club Soccer Registration/Med Release Form.

Once the player is approved in US Club Soccer I will request that it be approved in Got Soccer and you will have to print out a new Got Soccer roster and game card for the weekend.

As always thank you for everything that you do and we truly appreciate all of it! I am here to assist with any questions you may have in regards to got soccer and the got soccer roster.
